## The Problem

# Problems Faced by Clients/Brands

Communication Gap  
*(Multiple Points of Contact)*

Daily Physical Monitoring at  
Site & No Proper Project  
Updates from Contractor

No After Service assistance

Unreliable & Delayed  
Timelines  
*(Project handover delay affects  
expansion plans and targets)*

Non-standardized Rates  
*(Unplanned hikes between 1st  
& Final quote)*

Inferior Quality Materials  
for Cost Cutting

*These are common problems faced by almost every brands that we have observed in our past 30 years of experience in this field.*

Our Solution along with strong Project Execution

# Unified Platform for Managing all aspects of the Project **Virtually & Physically**

Realtime Tracking using site CCTV cameras

Daily Work Updates and Reports of the Project

Easy and Fast Snag Resolution through with minimum TAT

Free Virtual Designs\* & Consultation
